

# SUSTAINABILITY REPORT

As Remgro is an investment holding company, disclosure regarding sustainability is limited to that of the Company and its wholly owned subsidiaries, including Wispeco and Tsb Sugar. Social and sustainability reporting for listed investees is contained in the annual reports of those entities.

The main aspects to report on are as follows:

## STAKEHOLDER RELATIONS

The following are recognised as stakeholders in the Company:

- Shareholders and lenders as providers of capital
- The State as policy maker and regulator
- The investment community as interested party
- The community, through the creation of employment, and part benefactor of taxes paid by profitable organisations and as a recipient of social contributions

The Board regularly reviews its strategies against the requirements of the stakeholders to ensure balanced long-term growth and the viability of the Company and the environment in which it operates.

## GROUP ETHICS

Dr Anton Rupert, founder of the Group, which today includes Remgro Limited, more than 40 years ago drew up guidelines for doing business successfully. These guidelines developed into what is today Remgro's value system. The Company believes that these values incorporate the spirit in which it strives to be a good corporate citizen. It furthermore believes that ethical behaviour stems from the value system, as communicated and demonstrated by the Board of Directors.

Remgro's commitment to ethical behaviour is contained in the following documents:

- Code of ethics
- Gift policy
- Computer: Acceptable usage policy
- Disciplinary code

## SAFETY AND ENVIRONMENT

The Company has a duly constituted health and safety committee, as required by the Occupational Health and Safety Act. This committee assists the Board in ensuring that the Company provides and maintains a safe and healthy risk-free environment for staff and visitors by identifying risks and ensuring that controls designed to mitigate these risks are effective and complied with.

Most of the Company's core activities are regarded as having a low impact on the environment.

The Company benchmarks its current environmental practices against the criteria stipulated in the Global Reporting Initiative™ (GRI) Framework. These include:

- Materials
- Energy
- Water
- Biodiversity
- Emissions, effluents and waste
- Suppliers
- Products and services
- Compliance
- Transport
