

STATEMENT OF RESPONSIBILITY

BY THE BOARD OF DIRECTORS

The directors are responsible for the maintenance of adequate accounting records and the preparation and integrity of the annual financial statements included in this Annual Report.

The annual financial statements are prepared, in accordance with International Financial Reporting Standards (IFRS) and the requirements of the South African Companies Act, on the going concern basis and incorporate full and responsible disclosure. The annual financial statements are based upon appropriate accounting policies and supported by reasonable and prudent judgements and estimates.

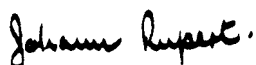

The directors are satisfied that the information contained in the financial statements fairly represents the results of operations for the year and the financial position of the Group at year-end. The accuracy of the other information included in the Annual Report was considered by the directors and they are satisfied that it accords with the financial statements.

The directors are also responsible for the Company's system of internal financial controls. The system was developed to provide reasonable, but not absolute, assurance regarding the reliability of the financial statements, the safeguarding of assets, and to prevent and detect misrepresentation and losses.

The directors are of the opinion that the Group will continue as a going concern in the future.

The financial statements were audited by the independent auditor, PricewaterhouseCoopers Inc., to whom unrestricted access was given to all financial records and related information. The directors are further of the opinion that all statements that were made to the auditor during the course of the audit were valid and relevant. The auditor's report is presented on page 50.

Signed on behalf of the Board of Directors.
